

A Message from Jenny Lowery, BACC President

Greetings!

UltreyaGB is one of the highlights of our Cursillo year, and every year we have more people attending – which is as it should be! Last year in Durham we had 400, and we nearly raised the Cathedral roof with our joyful singing.

This year we are privileged to be able to celebrate this great day in Canterbury – a place steeped in Christian history.

If you've been to an UltreyaGB, you don't need reminding what a wonderful occasion it is – a chance to meet up with Cursillistas from more than 30 Dioceses, to encounter old friends and make new ones, and to share worship and fellowship..

If you haven't been before – you're in for a treat, and a day you will remember for a long time.

Why not make a weekend of it – many of us are doing just that; there is so much to do and see around Canterbury that 2 nights – at least – would be time well spent.

Do make a note of the date in your diary now – **1st September** – I look forward to meeting you and sharing a hug.

ULTREYA!

Jenny
